

215 MODEL SHOTBLASTER

Product details:

Designed with extensive customer consultation the 215 Model Shotblaster is the smallest in the range, yet still produced to exacting standards using the highest quality materials and with a focus on operator friendliness incorporated into its design. The enhanced performance rates exceed comparable machines for productivity and uniformity of surface profile.

Features:

- No buttons/controls just one simple lever operation
- Virtually maintenance free for continuous performance and cost effective operation
- Adjustable handle height for operator comfort
- Designed for use with an industrial vacuum for safety and elimination of dust pollution

Applications:

- Cleaning and profiling a wide range of surfaces including concrete, asphalt, stone and screeds
- Removal of concrete laitance and coatings
- Re-instating anti-slip properties

215 SHOTBLASTER MACHINE SPECIFICATION

Dimensions	H 795-1030mm	L 895-1045mm	W 295mm
Working width	Up to 210mm	Weight	45kg
Motor	2.3kw		
Power	110v / 230v		
Hand-Arm Vibration Level	2.8m/s ² r.m.s	Usage	up to 7 hours
